### \*The Bike Trail\*

During 3-D Biking, participants will have the opportunity to experience Lake Moultrie first-hand as they ride around the Rediversion Canal. The event will start in St. Stephen, S.C. at the Hell Hole Outdoor Center where it will commence on the Palmetto Trail along the Lake Moultrie Passage. Currently, the trail is owned by the US Army Corps of Engineers, and as a result will only be open to the public on April 12th. Palmetto Conservation Foundation plans to hold the event annually and will strive to get the beautiful and enjoyable trail open to the public year round.

**"Help Build the Trail"** All proceeds will be used to make the bike trail permanent with signage, maps, bike racks, and kiosks.
